

# Educational Kinesiology In-Depth

This certified 40 hour In-depth course in **Educational Kinesiology** is fully accredited by the Australian Kinesiology Association and the International Educational Kinesiology Foundation

**Presented by Barbara Wards - New Zealand Brain Gym Faculty Member**

**This Educational Kinesiology In-depth course addresses seven dimensions of intelligence as each relates to the whole brain/body system.**

The Seven Dimensions covered are:

- **Laterality**—integrating communication between left and right sides of the brain and body
- **Centering**— integrates organization of our physical reflexes as they relate to head (reason) and heart (emotion)
- **Focus** integrates our focus and its connections to our muscles and tendons
- **Cranial Movement**— integrates the cranial bones
- **Motivation**—integrates and resolves emotions and attitudes
- **Breathing**—integrates the respiratory and lymphatic systems
- **Body Regulators**—integrations the regulation of stress hormones

You will also learn many techniques that balance the In-depth Realms:

- **Structure/Movement Realm**—restructuring, movement re-education, and vision training procedures to restore body movement, posture, and visual skills at the pre-functional level
- **Emotional**—reset the behavioural patterns that lie behind habitual movement responses
- **Personal Ecology**—resets movement relationships within the larger context of the out environment or within the internal ecosystem of the body
- **Acu**—resets electro-magnetic or meridian energy for more vitalized function
- PLUS many more additions to your learning menu, more in-depth checks and more goal-setting skills

In this course you will learn about dimension checks, educating within each dimension, and priority balancing.

DATE:	<b>Mon 6 —Fri 10 January 2020</b>
TIME:	<b>9-30 am to 5-30 pm each day</b> <i>To complete the course participants need to attend all sessions</i>
